Menadue Camps provide exciting weeks of activities both on and off site - including day trips, crafts and sports in a happy and friendly Christian environment. Many young people discover through the Bible teaching at the Camps that God is real and that Jesus can become part of their everyday lives. The Camps are held at Menadue Farm on the North Cornwall coast - the children sleep in tents with the use of a shower block; the converted barn serves as a canteen and is also where group activities are held.
